Day 4 - Love

1. Coloring Sheet and Word Find
2. Craft - Rock your walk, a growing public art movement, where you paint a rock and share it in community where others may find it.
3. Snack - Trail Mix or Snack Mix. There are different ingredients that are included to make up one thing we enjoy together.
4. Activity - Build a fort from pillows, cushions, blankets, etc. Who are people that build you up? Think about them and try having an item for each of these people as you build your fort of "living stones" like the body of Christ knowing you are connected to their love and encouragement.
5. Service - Say thank you to those who build you up by writing a letter, drawing a picture, sending a card, or calling them today!
